

## **Update to A Directory of U.S. Government Depository Libraries Makes Its Debut**

The first Update to A Directory of U.S. Government Depository Libraries appears in this issue of the Technical Supplement. Initiated in response to suggestions from depository librarians, this update lists newly designated depository libraries as well as libraries which have dropped depository status.

Changes to addresses, phone numbers, fax numbers, etc., will be made in the online version of the Directory on the Federal Bulletin Board. They will not appear in this printed update. The online Directory is updated periodically, as changes occur.

To access the Federal Bulletin Board, dial (202) 512-1397 or telnet <federal.bbs.gpo.gov 3001>. For more information, see Administrative Notes, v. 15, no. 13 (Oct. 15, 1994).
